## 2019 MAY BONFILS STANTON THEATER FEASIBILITY STUDY. Fact Sheet

The Bonfils-Stanton Foundation, Westside Investment Partners, Denver Council District 2 and Denver Arts and Venues has engaged Keen Independent Research, a Denver-based research firm, to explore the feasibility of reviving the May Bonfils Stanton Theater at Loretto Heights.

Keen Independent will analyze the capacity and demand for performing arts venues in Southwest Denver, including community interest and needs. The study team will examine current facility condition, renovation options and operating models for the theater.

The study team is holding workshops with community members, performing arts organizations, concert promoters and other possible users to better understand the theater's potential for performances and events.

Study outcomes will include recommendations that will serve the community for years to come.

### Study Team

Keen Independent is joined by Victor Gotesman Performing Arts Facilities Planning, Theatre Consultants Collaborative and Venue Cost Consultants, all national theater consulting experts. Alex Keen, Keen Independent Chief Operating Officer, will serve as the project manager for this assignment.

### Schedule

The study launched in January 2018 and will be completed in June 2019.
